Program
Our program is custom designed to meet the needs of each client. Chemically dependent individuals are brought into a non-threatening environment where they receive love, forgiveness, and acceptance! This lays a foundation for successful lifestyle change.

Biblical
The biblically-based program teaches the doctrine of God’s grace and love as presented in the search for significance and conquering chemical dependency.

Educational
A Christ-centered solution to addiction is taught based on scientific research. The process of addiction, recovery, and relapse is presented using evidence-based practices. Family education is an essential part of the process to ensure long-term recovery and family restoration.

Practical
Biblical principles are taught from the Bible & Christian curriculums.

Professional
Shane’s Crib Counselors present science-based recovery and relapse prevention from a Christian perspective. Peer counselors at Shane’s Crib are called by God to the addiction recovery ministry.

Spiritual
While a peer counselor is trained in the process of individual counseling, group counseling, crisis counseling, and family education, they recognize that the ultimate guidance for the counseling process is the Holy Spirit.

Wellness
Daily physical fitness workout program.

Clients
The addiction recovery program at SHANE’S CRIB serves women 25 and older who desire to stop using alcohol and/or drugs. Because it is a non-medical facility, prospective clients must meet the following criteria before admission:
- Medical detoxification or a doctor’s clearance that no detoxification is needed
- Stability on all medications
- Absence of any contagious disease
- Proof of a negative tuberculosis test
- Telephone screening

Financial Information
SHANE’S CRIB is a non-profit Christian benevolent organization. Operation of the home is financially dependent upon voluntary gifts from churches, associations, individuals, and foundations, as well as clients’ fees and the Cooperative Program. These donations allow Shane’s Crib to provide assistance to those in need at a reduced cost.

Spirit, soul & body!
A three strand cord is not quickly broken! Ecclesiastes 4:12

Wellness
Daily physical fitness workout program.
History

Mothers against substance abuse (MASA) was founded in 2004 after my son Shane became addicted to drugs and alcohol. He had been in and out of the court system, and his life spiraled out of control after the tragic death of his 16 month old son. This tragedy intensified his drug use. Shane passed away on August 03, 2007, from an accidental drug overdose. My mission is to help others like myself, who are hurting and needing direction. God has inspired me through my son’s death and my faith in God to go forward and establish a ministry for the addict and their loved ones.

The Vision

Those who have Sown in tears will reap with songs of joy...Psalm126:5

We are committed to providing truths to women who suffer from chemical dependency. Their truths will be taught as they relate to the most basic of life issues, assisting them to becoming aware of God’s power in their lives through the Holy Spirit.

The Mission

“When you look for me in earnest, you will find me, when you seek me…”
Jeremiah 29:13

To enable women to understand and accept Christ’s forgiveness and acceptance through the study of God’s Holy Word and 12-step Recovery Programs.
